**Federal Communications Commission
7435 Oakland Mills Road
Columbia MD 21046**

Subject: Request for Confidentiality for FCC ID: C3K1797

To Whom It May Concern:

Pursuant to the provisions of the Commission's rules 47 CFR sections 0.457(d) and 0.459, we are requesting the Commission to withhold the following attachments as confidential document from public disclosure **indefinitely**.

- **Block Diagram**
- **Schematics**
- **Operational Description**
- **Antenna specifications**
- **Technical Specification**
- **KDB 594280 D02 v01r03 U-NII Device SW Security Statement**

The above mentioned documents contain detailed system and equipment descriptions that are considered as proprietary information in the operation of the equipment. Public disclosure of the above documents might be harmful to our company and would give competitors an unfair advantage in the market.

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of

newly authorized devices, we are requesting the commission to grant **short-term confidentiality** on the following attachments until **December 6th 2019** .

- **External Photos**
- **Test Setup Photos**
- **User's Manual**
- **Internal Photos**

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as confidential documents and the information will be available for public review once the grant of equipment authorization is issued.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kyle Chen".
