CFS8DL6HEAT FCC COVER LETTER

Date: 12/14/2017

To Whom It May Concern:

This letter is to inform you of our request for a new certification for our transceiver known as CFS8DL6HEAT. The transceiver will operate under Part 15.247.

The device will be available under two model names – SiXHEAT and SiXHEATA. Both versions will be electrically and mechanical identical. The differences are specific to the packaging and documentation for marketing purposes.

Regards,

X
