Columbia, MD 21046

SUBJECT: Class II Permissive Change for FCC ID: **HD5-CT30PL0N**, approval date: **01/12/2022**

Dear Examiner,

This is to request a Class II Permissive Change application for above referenced device.

The change filed under this application is:

Reduce the power for band of WiFi 2.4GHz to balance low/high channel power deviation.

Except the change described above, the design, hardware, and software are exactly the same with original. Software security remains unchanged from the original application.

Sincerely,

Mandana Salahshour
