

The image is a top-down line drawing of a car seat. At the top, there is a large rectangular area representing the headrest. Within this area, on the right side, is a grey rectangular box containing the text "Label Here". Below the headrest is the main seat backrest, which is divided into three horizontal sections by two lines. In the center of the lower section of the backrest is a circular vent with a horizontal slot. Below the backrest is the seat base, which has a curved front edge. In the center of the seat base is another circular vent with a horizontal slot. To the left and right of this central vent are two smaller circular vents, each with a diamond-shaped center. At the very bottom center of the seat base is a third circular vent with a diamond-shaped center. A small yellow dot is located on the right edge of the seat backrest. Two curved arrows originate from the central vent on the seat base, pointing towards the left and right sides of the seat base.
