

PRODUCT EQUALITY DECLARATION

We, **Intel Corporation**, declare on our sole responsibility that the products with

Model name: BT210
Marketing name: Yolo

And

Model name: BT230

And

Model name: BT510
Marketing name: Lava X500

in all relevant parts are identical products. The only hardware difference between the products is the naming convention. There are differences in the software from BT210/BT230 and BT510. The BT 210/BT230 only have one SIM port active and BT510 has both SIM ports active.
