Subject: Request for **Short Term Confidentiality**

FCC ID: O2Z-BTXZ0

To Whom It May Concern:

In accordance with §0.457(d) and §0.459 of CFR 47, **Intel Corporation** requests
short term confidentiality for the following items

1. External Photographs
2. Internal Photographs
3. User Manual
4. Test Setup photographs

until the product will be publicly announced.

Short term confidentiality release date: 90 days from Grant Date

These items contain detailed system and equipment description and related information about the product which **Intel Corporation** considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, **Intel Corporation** also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.
