TO: Whom It May Concern

RE: Strategic Transmitter Dualtrak PID Submission (OEHDUALTRAKPID)

The Schematic Diagrams, Theory of Operations and Bill of Materials in our submission contain information proprietary to Strategic Technologies Inc. and form a basis for our intellectual property with respect to our product design.

As such, we have requested that this information not be available for general public access and is to remain confidential

Yours truly,  
**Strategic Technologies Inc.**

Steve Rosset  
Vice-President, Technical Operations
