Dear Sir/Madam,

To whom it may concern:

The RF chip, model: NRF52832, installed in our product Shocksense Impact Sensor (Model number: AN5006230, FCC ID: SIM-2311), which support ANT, NFC, Bluetooth LE 1 Mbps & 2 Mbps, for use in the US marketing this chip only support/enable the Bluetooth LE 2 Mbps. the other functions has been shielded by the manufacturer using the software.

Sincerely,

Signature:

Helmut Holzer
