Re: Confidentiality Request

Ladies and Gentlemen:

**Permanent Confidentiality**

Request is hereby submitted by SORIN to withhold permanently from public review certain portions of the application for certification for the certification for the referenced FCC identifier. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would disclose successful implementation of unpublished, leading edge technology developed by us. The internal photos should be granted confidentiality because only personnel authorized by the manufacturer have access to it.

This request for confidentiality is made pursuant to 47 CFR 0.457(d)(2) and 47 CFR 0.459 of FCC rules pertaining to confidential material. SORIN CRM SAS requests that the following documents regarding this submission for FCC ID: YSGCRTDSOR1844 be kept confidential:

1. Schematics
2. Block Diagram
3. Parts list

Specifically, these exhibits contain information relating to circuit function and complexity that could be of benefit to competitors. The material contains trade secrets and confidential information that SORIN does not customarily release to the public and which is otherwise not generally available to the public.

The material above contains technical data, which would customarily be guarded from competitors.

### **Short-term Confidentiality**

Request is hereby submitted by SORIN to withhold from public review for a period of 45 days from the date of the Grant of Equipment Authorization and prior to marketing, certain portions of the application for equipment certification for the referenced FCC identifier. Disclosure of the short-term confidential portions of this application during the period of importation and/or distribution would reveal key aspects of proprietary technology to competitors and diminish the value of the value of our investment in research and development.

This request for confidentiality is made pursuant to 47 CFR 0.457(d)(2) and 0.459 of FCC rules. SORIN requests that the following documents regarding this submission for FCC identifier are kept confidential for a period of 45 days from the date of the Grant of Equipment Authorization.

1. Internal photos
2. User manual

Sincerely,
