Re: Notice of Pro Forma Transfers of Control Resulting from Chapter 11 Petitions of
Futurum Communications Corporation dba Forethought.net and San Isabel Telecom,
Inc.

Dear Ms. Dortch,

On behalf of Futurum Communications Corporation dba Forethought.net (“Futurum”) and San Isabel Telecom, Inc. (“San Isabel”) (hereinafter collectively “Assignors”), pursuant to Sections 63.03(d)(2) and 63.24(f)(2) of the rules¹ of the Federal Communications Commission (the “Commission”), the Commission is hereby notified of the pro forma transfers of control of the Assignors².

On March 21, 2021, Futurum filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Code, 11 U.S.C. §§ 101, et seq. (the “Bankruptcy Code”) in the United States Bankruptcy Court for District of Colorado (the “Bankruptcy Court”) (Case No. 21-11331-KHT) and is operating and managing its business as Futurum Communications Corporation dba Forethought.net Debtor In Possession (“Assignee” or Futurum DIP) pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On May 12, 2021, San Isabel filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code in the Bankruptcy Court (Case No. 21-12534-KHT) and is operating and managing its business as San Isabel Telecom, Inc. Debtor In Possession (also an “Assignee” or “San Isabel DIP”) pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The filing of the Petitions converted the legal status of Assignors to debtors-in-possession. The bankruptcy filings did not otherwise change the ownership or control of the Assignors.

¹ 47 C.F.R. §§ 63.02(d)(2) and 63.24(f)(2).

² In accordance with the terms of an Asset Purchase Agreement dated November 8, 2021, the assets of the Assignors and Assignees were transferred to Vero Broadband, LLC (the “Transaction”). The closing of the Transaction occurred on January 1, 2022. For pending FCC Section 214 Joint Applications, see International Bureau FCC File No. ITC-ASG-20220104-00010 and Wireline Competition Bureau FCC Docket No. WC-22-23.

Assignees continued to operate their businesses during the court-supervised restructuring process until the closing of the Transaction. The bankruptcy filings did not result in any changes to the service operations or in the rates and terms of the service offerings. The reorganization of the Assignors is expected to improve the companies' financial and operational status to the benefit of their customers. Exceptional customer service remains a priority as the Assignees continue to fulfill their commitments to customers, employees, agents, and key vendors.
