Answer to Question 13

On May 2, 2022, an internal reorganization was undertaken in which Syniverse Holdings, Inc., the immediate parent company of Syniverse Technologies, was converted from a Delaware corporation to a Delaware limited liability company. Syniverse Technologies remains a wholly-owned indirect subsidiary of Syniverse, which remains under the control of The Carlyle Group affiliates. A reorganization that involves no substantial change in the beneficial ownership of the company, including a change in form of the business entity, is considered *pro forma* under Section 63.24(d) of the Commission's rules.
