Re: Asia America Gateway Cable System, SCL-ASG-20200603-00024

Dear Ms Dortch,

Pursuant to Section 1.767(g)(7) of the Commission's rules, Telekom Malaysia Berhad ("TM") and TM Technology Services Sdn. Bhd. (formerly known as Webe Digital Sdn. Bhd.) ("TM Tech"), provide notification of the following pro forma assignment of the ownership and voting interests in the AAG Cable System held by TM, which is a licensee for this system.

On 1 March 2023, the ownership and voting interests in the AAG Cable System held by TM were transferred to TM Tech as part of TM's internal reorganisation.

Based on the above information, TM certifies pursuant to Section 1.767(g)(7) that this assignment is pro forma as defined in Section 63.24. Specifically, the transaction is presumptively pro forma pursuant to subsection (5) of Note 2 to paragraph (d) of Section 63.24 as an "[a]ssignment or transfer from a corporation to a wholly owned direct or indirect subsidiary thereof or vice versa, or where there is an assignment from a corporation to a corporation owned or controlled by assignor stockholders without substantial change in their interests."

Sincerely,

Mohamed Tajul Bin Mohamed Sultan
Chief Network Operation
