**Re: Application of Glentel Corporation for a new VSAT Network,
File No. SES-LIC-20040512-00728 and Call Sign: E040246**

Dear Mr. Kotler:

Glentel Corporation ("Glentel") hereby responds to your letter of December 1, 2004.¹

In the above-referenced application, Glentel proposes to construct a VSAT network consisting of nine earth stations located in the United States and controlled by facilities in Canada. In your letter, you state that Glentel is required to supply the name, address and telephone number of a point of contact in the United States; that the point of contact must be available twenty-four hours a day, seven days a week; and that the point of contact must possess the authority and capability to terminate operations of the earth stations. Your letter directed Glentel to provide this information no later than December 10, 2004, but the International Bureau subsequently granted a one-week extension of this deadline to December 17, 2004.

¹ Letter from Scott Kotler, Chief, Systems Analysis Branch, Satellite Division, International Bureau, Federal Communications Commission, to Joseph A. Godles, Goldberg, Godles, Wiener & Wright (Dec. 1, 2004).

In response to your direction, Glentel provides the following point of contact and contact information:

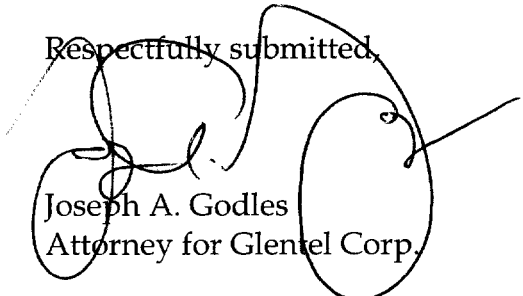

LeRoy Haskins
199 South Morrie Avenue (Physical Address)
1715 Fleischli Parkway (Mailing Address)
Cheyenne, WY 82001

Office Phone: 307-632-8219
Cell Phone: 307-630-7953

As required, Mr. Haskins is available 24 hours a day, seven days a week, and has the authority and capability to terminate operation of the earth stations.

Please direct any questions concerning this matter to the undersigned.

Respectfully submitted,

Joseph A. Godles
Attorney for Glentel Corp.
