RE: ABS Global, LTD
HUDSON, NY
C-Band and Ku-Band Transmit-Receive Earth Stations

Call Sign E180019
File #: SES-LIC-20180213-00118

The satellite longitude filed on the FCC form 312B and shown on the 02/28/2018 Earth Station Public Notice do not match the frequency coordination reports attached with this filing.

The coordinates on the coordination reports are the correct.
42-16-21.3 N.
73-43-16.9 W.

The Public Notice/312B
42-16-21.3 N.
73-43-**19.6 W.** (public notice/312B) **are wrong**

Petition for Reconsideration – A petition for reconsideration for this site is requested to correct the coordinates of the Hudson site on the FCC License/Public Notice. Since the coordinates on the frequency coordination reports are correct, the microwave licensees were sent the correct data during the frequency coordination process for both the C-band and Ku-band antennas.

All other parameters remain the same.

Please let me know if you have any questions.

Thank you

Tim Crutcher
