REQUEST FOR SPECIAL TEMPORARY AUTHORITY

TeleBEEPER of New Mexico, Inc. (“TeleBEEPER”), by its attorneys and pursuant to Section 25.120 of the Commission’s Rules, 47 C.F.R. § 25.120, hereby requests further Special Temporary Authority (“STA”) in order to continue to operate a transmit/receive earth station at 4545 McLeod NE. Ste. C, Albuquerque, NM. The Commission previously granted TeleBEEPER an STA for the subject facilities on October 31, 2011, under File No. SES-STA-20111027-01270. TeleBEEPER is in the process of completing an application for permanent authority, and has immediate need to obtain a new STA to continue operations during the completion and prosecution of that application.

The requested technical parameters for the proposed earth station, as approved in File No. SES-STA-20111027-01270, are as follows:

The Commission has previously found TeleBEEPER qualified to be a licensee, and has previously granted an STA for these facilities. The requested STA seeks only to maintain services while TeleBEEPER finishes preparing its application for permanent authority and the Commission processes that application. Consequently, there should be no impediments to a grant of this request for STA.

For all the foregoing reasons, TeleBEEPER respectfully requests that the Commission expeditiously grant this request for Special Temporary Authority.
