Special Temporary Authority

Globecast UK is granted, under the following conditions, Special Temporary Authority, from August 22, 2012 to August 27, 2012 to operate its Advent Mantis 2.4m transportable earth station, in San Francisco, CA emitting a signal within the 18M0D7W emission designator in the 5925-6425 MHz band at an EIRP not to exceed -11.70 dBW/4kHz to any U.S. authorized space station listed on the "Permitted List" at <http://www.fcc.gov/ib/sd/se/permitted.html> from which it has received permission from the space station operator to access.

- 1) Globecast UK, shall not cause harmful interference to, and shall not claim protection from, interference caused to it by any other lawfully operating station and it shall cease transmission(s) immediately upon notice of such interference.
- 2) Any action taken or expense incurred as a result of operations pursuant to this special temporary authority is solely at Globecast UK risk.
- 3) Globecast UK shall take all reasonable and customary measures to ensure that the mobile earth station does not create a potential for harmful non-ionizing radiation to persons who may be in the vicinity of the earth station when it is in operation. The earth station operator shall be responsible for assuring that individuals do not stray into the regions around the earth station where there is a potential for exceeding the maximum permissible exposure limits.
- 4) This action is issued pursuant to Section 0.261 of the Commission's rules on delegated authority, 47 C.F.R. § 0.261, and is effective immediately.

12. Description

The first round of the 2012/13 America's Cup World Series season will take place in San Francisco from the 23rd thru 26th August 2012. San Francisco promises to offer a dramatic backdrop for the four regattas, with this event being one of two USA races in the 2012/13 series to take place before the 34th America's Cup finals 2013, also in San Francisco. Once again GlobeCast will be transmitting one 18MHz world feed from location, using a GlobeCast owned 2.4m Advent Mantis C-Band antenna which complies to all major type requirements, this feed will then be distributed from GlobeCast London to its international platform reaching over 25 countries across the world.
